

Celebrate Fall at Your State Arboretum

First Thursday Series

In the Library; Times vary

\$6 FOSA members, \$8 nonmembers

Plants & Wildlife Along Virginia Highways

Thursday, September 4, 10-11 a.m.

Jeff Lineberry and Scott Nye

Virginia Dept. of Transportation

Have you noticed wildflowers planted along our highways? Curious about the Adopt-a-Highway program? Come hear about these and related VDOT programs.

Growing & Repotting Orchids

Thursday, November 6, 7-8 p.m.

Carol Sherman and Gary DeOms

Lord Fairfax Orchid Society

Orchids are much loved but often avoided for fear they are difficult to grow. Join us in learning how to grow and repot orchids.

And don't miss

ArborFest

October 11-12

Third Thursday Series

In the Library, Times vary

\$6 FOSA members, \$8 nonmembers

Pruning Trees & Shrubs

Thursday, September 18, 9:30 a.m.-Noon

Peter Deahl

The Care of Trees

Learn how and when to prune woody plants in this hands-on workshop on Blandy's grounds. Dress for the weather.

Introduction to Plant Identification

Thursday, October 16, 9 a.m.-12:30 p.m.

Marion Lobstein

Northern Virginia Community College

Learn to identify plant families and fall wildflowers using dichotomous keys and field guides. Dress for the weather.

Preserving Land With Conservation Easements

Thursday, November 20, 7-8 p.m.

Wingate Mackay-Smith

Chair, Clarke County

Conservation Easement Authority

Interested in land preservation? Learn how Clarke County uses conservation easements to benefit the land and the economy.

Guided Walk at Blandy

Co-host: Virginia Native Plant Society

Saturday, September 20, 10-11 a.m.

Free — Meet at Kiosk

Reservations not required

Nuts & Berries of Fall

Join a guided walk on Blandy's grounds to find and identify nuts, berries, and other fall fruits.

Special Program Co-Hosted by

Shenandoah University

Department of Environmental Studies

The Grand Saga of the Monarch Butterfly

Thursday, October 2, 9:30-11 a.m.

Stimpson Auditorium

Halpin-Harrison Hall, SU

Dr. Lincoln Brower

Sweet Briar College

The annual monarch migration is one of the planet's best-loved natural phenomena. See images and video of monarchs taken from the ground, air, and space, and hear the story of the monarch from a world authority who has studied this butterfly for more than 50 years.
\$6 FOSA Members, \$8 nonmembers
Free for SU students and staff

***Tickets are available through the
Shenandoah University Box Office
in person or by calling 540-665-4569.***

Tickets go on sale September 2.
